

R-Panel

EXPOSED FASTENER WALL PANELS

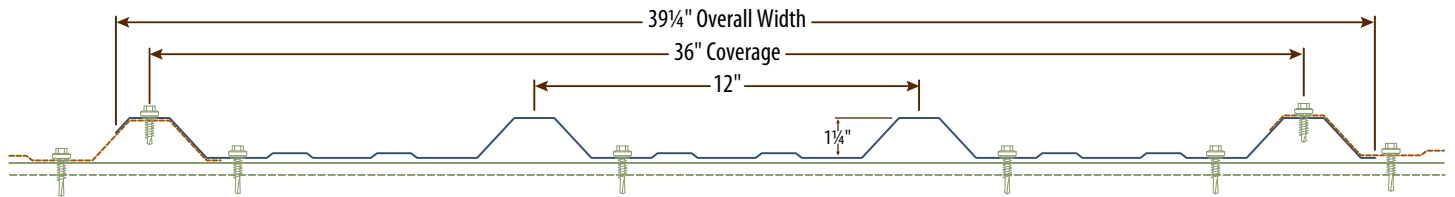

With its deep ribs creating a dramatic shadow appearance, R-Panel is an economical option suitable for commercial and industrial wall, liner, mansard, and soffit panel applications.

R-Panel is an exposed fastener metal wall panel that is suitable for horizontal and vertical applications, and is available in a wide variety of materials and colors.

R-Panel wall panels are factory fabricated to IMETCO's legendary standard of quality, and backed by unparalleled service and support.
